
Guns & Gear

Gun Mods & Attachments

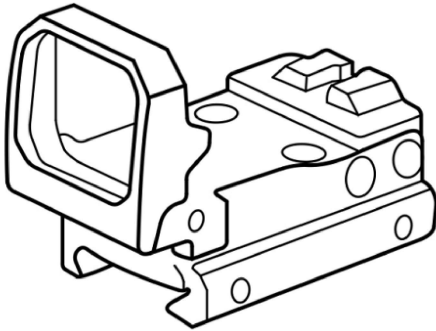

Built-in Attachments

If a gun has an attachment as default or built-in, then effects like Heft, Equipment Slots, and To-Hit modifiers are all already baked into the weapon's listed stats.

You will only have to keep track of active effects or effects that aren't on the stat block.

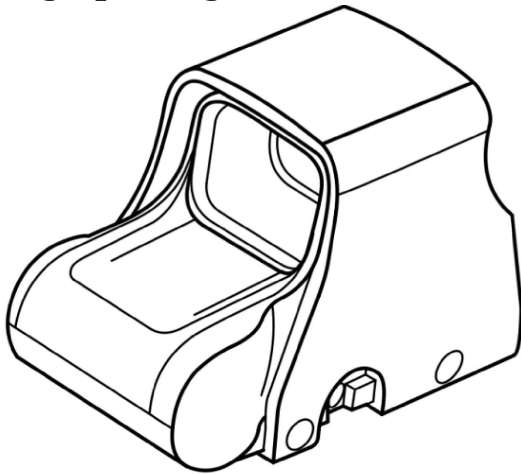

Sights

Red Dot Sight

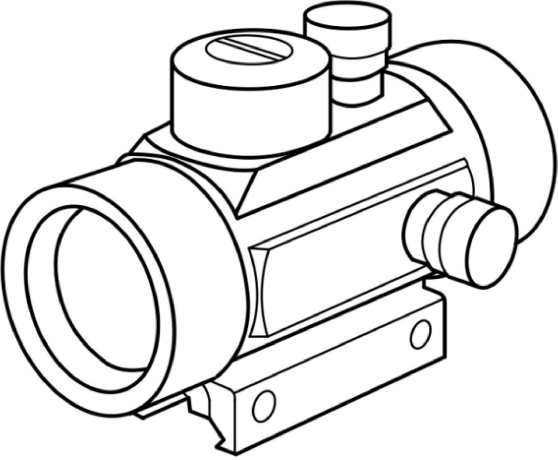

- 0 Equipment Slots (Weightless)
- +1 To-Hit at Close range
- -1 To-Hit at Point Blank range

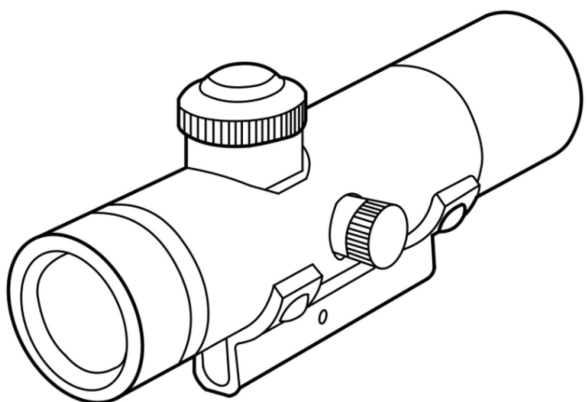

Holographic Sight
